STAT

FROM :   
Assistant General Counsel

SUBJECT : Legal and Legislative Services for the IC Staff

1. This Office has just had the occasion to review the legality of a matter related to the Intelligence Community appropriation. That matter relates to the Agency furnishing legal and legislative support to the DCI in his role as head of the intelligence community.

2. In studying that problem we found the materials listed in the attachment relevant to the question. We are sending you a copy of the attachment to ask you to review it to determine if you have in your files or know of any other materials that are not listed that may also be relevant.

3. As the Deputy Director is anxious to get our legal opinion on this issue I would very much appreciate your review in the next day or so.
